

# Nappies and changing policies

## Statement of Intent

To welcome all children into Curdworth Pre-School whether they are toilet trained or not.

## Aim

We aim to provide suitable conditions to change nappies and carry out this procedure wearing appropriate safety clothing i.e. protective gloves and aprons.

## Procedure

Parents will be asked to provide their own nappies, wipes, disposable bags etc to enable us to change their child. We have our own baby changing mat kept in the toilets for use with children in nappies. If a child is being toilet trained at home we will support this when the child is at Pre-school.

Unfortunately as we do not have sole use of the Church Hall it would be unacceptable to dispose of soiled nappies, therefore it is a committee decision that parents will be asked to dispose of such items. It will be made clear to parents that the only space we have available to change their child will be in the toilet area.

## Students/Work Experience

Students or work experience placements must not accompany children to the toilet. If a circumstance where to arise where a student/work experience placement needs to go into the childrens' toileting area they must notify a member of staff for permission and must be observed by a staff member at all times.

This policy was adopted at a meeting of Curdworth Pre-school

Adopted: 16<sup>th</sup> February 2005    Review January 2023

Signed on behalf of Curdworth Pre-School
